

Buletin at lib:

1- female - late 40 - loojing at top side or left bill - asian - 10 secs

2- male - 50s asian - glanced at it tio side because it was one way

3 female asian 30s - glanced because on the way

4 female 20s 30s glance top left one coming out or lib - seemed to take her attention

5 male bald yellow jacket coming out of lib looked at top of lwdt one ob the wat aout

6 male 30s mid top left on thw way out glance

7 male late 30s on the way ti enter lib top

of right one ... Just glanced on the way in
- no interaction

8 malr late 40s ear 50s black jacket just
passing by the lib entrance - looked to
bottom of right one - 5 secs - didn't wait

9 female asian blacj and white long
sleeves - waited at top lert on the way out
of lib - stopped very shortly -

10 female earl 20s blonde - top left one -
going out of lib - glanced momentatilly

Note: 4 sided ones are good? They don't
seem interesting enough for people to
stay but they are good enough that people
glance mabye the location

11 male asian mid to lare 20s glasses -
going out - top left one - looked for 10s or
less on the way going out - didn't stop
though

12 woman and man asian late 50s - coming out - top left - they stopped - 20s - the woman noted something from the board into her notebook and showed the man

13 male late 50s - bottom of left (my side) - looked while passing by but slowed down then passed

14 female - late 30s - asian - long dark hair and dark clothes - with the male above (because the male was looking the female started looking at it too)

15 male asian late 20s - bottom right - looked at down of the board - waited like 10 or more seconds - then got it to lib - second and third from right bil in the bottom

16. Female asian mid 30s - with child -

child rushed to the board - mother came to collect her and afterward she looked at the board for like 10 15 secs and nodded and passed (child or mother friendly boards??)

17. Homeless guy put a sign in front of right one to pass some flyers

18. Male mid 30s red shirt and hat - talked to the homeless guy and then looked at the bottom right of right for 10s and passed (coming out of lib)

People who got the flyer don't pay attention to the right bil after exitint that much!

19. 20. Two female - mid 20s - bottom left of the right one middle part - coming out of lib - then they said something to each other - 10 15 s

21. Woman late 30s - bottom left of right one - stayed and looked for 10s then bottom right at the top and top right ad - 10s then went

22. Man - late 40s - looked at top right ad of bottom right one - 20s - doesn't seem interested - then went away

23. Male late 50s - bald - checked bottom right right right and all of them! Maybe waiting for someone - has a badge - part of an event or something - went to the other one afterwards - checked all of it

24.
